SCHOOL APP: OUR LADY OF WALSINGHAM

Today, after only 3 weeks together, we close our doors for the Easter break. To those not in school, it may seem ridiculous that we are already 'finishing', but I can assure all parents that staff are exhausted and have worked endlessly since 4th January and really do need these 2 weeks of rest and recuperation.

However, this week has seen a huge in 'unrest' in school amongst our pupils - they too are tired and need some time before we start the Summer term. On Page 2, I have included some guidance for helping next term with the morning routine.

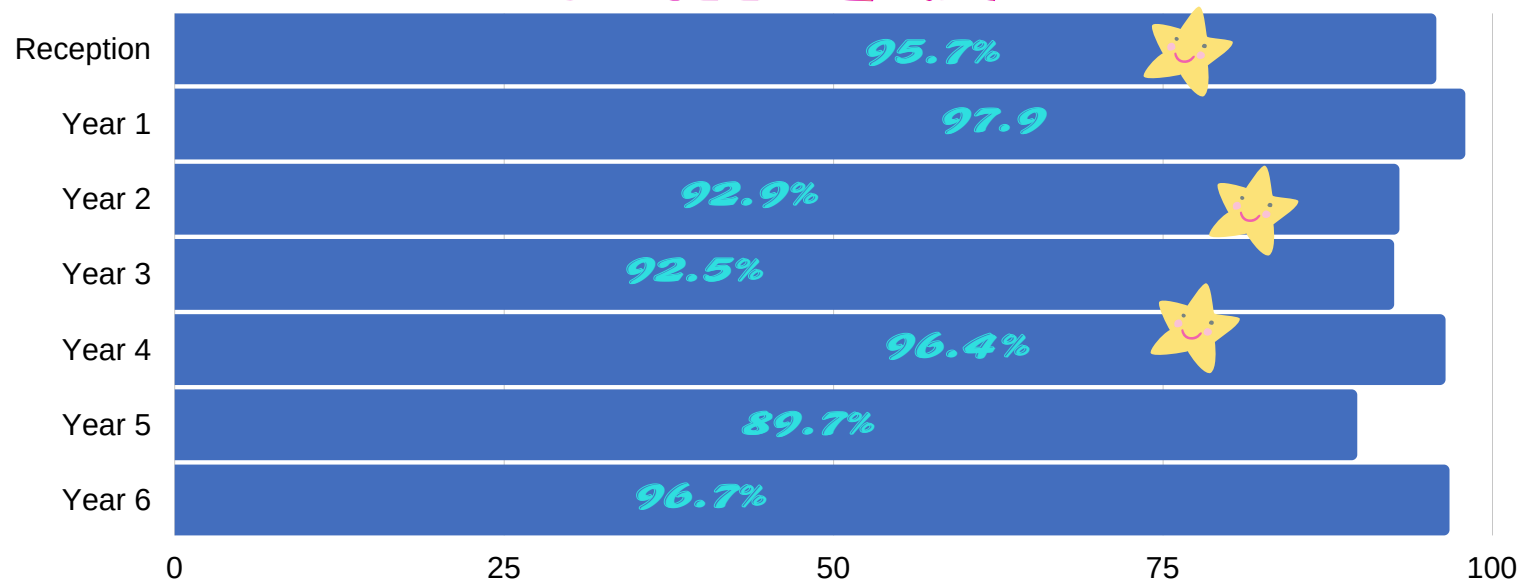

This week has also seen our annual 'Holy Week' in school - normally a great celebration with parents with a retelling every day acted out by our pupils. This has continued but as a film and shared with pupils in classes. We hope that next year, we will be back on the school playground with our parents as the audience.

But today is also tinged with sadness as we say goodbye to 10 members of staff - we wish them all well on their future path and we thank each and every one for their love and commitment to our school.

On April 13th, we restart with a smaller staff but we the very same commitment to each and every pupil. Wishing you all a peaceful Easter.
